- **Team Size:** 12
- **Responsibilities:**
 - Develop and fix the application's defect base on requirements.
 - Prepare documents and technical guide for developers joining in the middle of the project.

PASTIMES AND ACTIVITIES

- I am keen of reading books in my free time. My favorite book is "How to win friends and influence people" by Dale Carnegie. I am enthusiastic in doing extra curriculum and voluntary activities, such as charity events.
- My other hobby is blogging, as I am the author of a Vietnamese IT blog called toicodedao.com, where I share my working experience and knowledge to other developers. My profile ranks among top 10% programmers on stackoverflow.com – an international Q&A site for programmers.
